

NEFAR Education Heading To The Mall

The week of Aug. 6 -10, NEFAR's Education Department will relocate to The Avenues Mall. The temporary arrangement is due to construction of a new education facility at The Resource Center (NEFAR headquarters).

Beginning Monday, Aug. 13, all NEFAR education courses will be held at the new Avenues Mall location. Go directly there for NEFAR education classes or to visit education staff members Cindy Foley or Ruth Bonfante.

You will find NEFAR's new temporary education-only location by taking the back entrance of the mall, facing Philips Hwy., between JC Penney and Dillard's. Look for the VisionWorks sign on the outside of the entrance. Inside, NEFAR is the first unit on the left, directly across from VisionWorks.

Contact information for NEFAR Education staff members will not change.
